

AUDITORS' REPORT

To the Board of Trustees of
The Thunder Bay Foundation

We have audited the General Fund, Robert Kerr Dewar M.D., Scholarship Fund, Joshua Dyke Family Scholarship Trust Fund, and Helen L. Dewar Scholarship Fund balance sheets of **The Thunder Bay Foundation** as at December 31, 1991 and the statements of capital and operations and surplus of each of those funds for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Foundation as at December 31, 1991 and the results of its operations and the changes in its capital for the year then ended in accordance with generally accepted accounting principles.

Thunder Bay, Canada,
January 29, 1992.
